PARTICIPATION RULES AND GUIDELINES

The following must be submitted in a sealed A3 envelope marked MBDA: **COMPETITION FOR NELSON MANDELA BAY ICONIC LANDMARK**. The competitor's name and contact details should be clearly marked on the outside of the envelope:

1. A fully completed registration form, provided by the MBDA, must be completed.
2. A maximum of 2 x A3 pages of visuals.
3. 1 x A4 page of narrative.

The key concepts for the landmark, including the statue, its proposed site, ancillary amenities and proposed urban spaces (which can be programmed), should be presented in a visual format, accompanied by a 1 page high-level business plan.

There is no fixed site and competitors should identify their preferred site, which should be owned by Government, but not be located within the Port of Port Elizabeth limits.

Competitors should clearly indicate how their ideas communicate the objectives of the brief. Competitors will not gain any advantage by working out plans in detail and should rather focus on communicating their key concepts and design ideas.

In particular, the idea should provide sufficient information to:

- indicate the key spatial, formal, structural and functional aspects of the design graphically
- illustrate the spatial arrangement and character of components and spaces,
- describe the competitors approach to ensuring that the aspects of the brief required are met by the proposal
- propose an ideal site for the idea
- prepare a high-level business plan for the idea
- competitors must submit a maximum of 2 x A3 (297mm X 420mm) sheet in a sealed envelope. Applicants are at liberty to include any drawings (colour is acceptable) that they deem best able to communicate their concepts. However, the size and proportion of the design must be indicated and the overall drawings must be to scale. Concept and illustrative sketches need not be to scale
- metric scale shall be used
- at least one (1) perspective drawing shall be included which indicates the design in its setting
- no models are to be submitted. Photographs of a model/marquette on the sheets will be allowed
- a one (1) page, A3 report explaining the detail of the concept and a high level business plan. The report should address the issues indicated above and may provide other information deemed necessary by the competitor to explain the concept
- no identification, names, logos, company information should be on the drawings and narrative to protect the anonymity of competitors

Questions

Questions can be addressed to: create@mbda.co.za
All questions and answers will be posted on the MBDA website.

Reservation of rights to make no award

If, in the opinion of the Judging Panel, there is no entry that satisfies the criterion of uniqueness and excellence which the competition is intended to promote and / or which meets the requirements laid down by the brief for this competition, then the Judging Panel may make no award.
